## Work Experience

### Corner Bakery Cafe: Cashier/Baker

November 2014-May 2015

Taking orders, handling cash transactions, cleaning/sidework, preparing baked goods/displays, prepping stations, making salads to order, baking product for daily function, prepping orders, running food, delivering catering orders.

### Rochester Prep High School: Teaching Assistant

September 2015-May 2016

Being a second set of eyes for the teacher- watching for disruptions and talking, passing out and collecting handouts, keeping track of "sparks" and "demerits" and answering student questions/helping with software during individual work time.

### Dinosaur Bar-be-que: Cashier/Hostess

May 2015-August 2017

Greeting guests, taking orders, using Aloha POS, running food, bussing tables, cleaning, stocking, answering phones, taking reservations, seating guests, handling cash transactions.

### Mission Data: UX/UI Design Intern

May 2016- August 2016

During my internship I worked closely with the senior UX Designer to update an existing product's UX all summer. I learned sketch software and had weekly feedback sessions with the client.

### Mission Data: Associate UX/UI Designer

August 2017-Present

After my internship I accepted a position with Mission Data and I am excited to continue working with the team and its extensive list of clients to begin my career in UX/UI Design.
